

AMERICA'S **250** year Anniversary

Manhattan Past & Present

A UNIQUE *Manhattan* EXPERIENCE

New York City, one of the most iconic destinations in the world, hardly needs an introduction! This private tour takes you through the bustling streets of Midtown and Lower Manhattan, showcasing many of the city's most famous landmarks. Dive into the vibrant energy of Times Square with its dazzling lights and towering billboards, wander the charming streets of Greenwich Village, and visit historic sites such as Wall Street and the 9/11 Memorial.

This tour uniquely blends the old and the new, offering an unparalleled New York City experience. Marvel at modern skyscrapers and legendary landmarks while delving into the rich history of Lower Manhattan, including the fascinating story of Alexander Hamilton. A pivotal figure of the American Revolution, Hamilton served as an aide to General George Washington and played a critical role in key battles. As the architect of the nation's financial system, he established the Bank of New York, forging a deep connection with downtown Manhattan and the Financial District.

Landmarks you may encounter during the tour include Times Square, the Theatre District, the Empire State Building, Madison Square Garden, Rockefeller Center, and Grand Central Terminal, with a potential glimpse of Central Park if time permits. Highlights in Lower Manhattan include Fraunces Tavern on Pearl Street—a historic meeting place for Hamilton and other Founding Fathers—Wall Street, Federal Hall (where Hamilton served as the first Secretary of the Treasury), and Trinity Church, his final resting place.

This tour offers an exceptional opportunity to explore the contrasting wonders of Midtown and Lower Manhattan while immersing yourself in Hamilton's remarkable legacy. Discover the sights, stories, and spirit of the city that never sleeps!
